We are running a community campaign to promote Clean Air in Chichester and planning a "Car(e) Free Day" on 22nd September to coincide with International Car Free Day which will involve a community event on South Street.

We are running a competition for school children to draw a picture or write a story of what they would do on a Car Free Day.

We have some prizes for the winning entries (Stagecoach tickets, Bognor Picturedrome tickets and Westgate vouchers) and the Chichester Post has kindly agreed to publish photos and stories.

Please send in your entries to Kelly Wickham at the Chichester Post (kelly.wickham@sussexpost.co.uk Post Newspapers Ltd, 63 London Road Bognor Regis, PO21 1DF) by Friday 28th June.

We would be most grateful if you could encourage your pupils to get involved by including a paragraph in your newsletter out to parents or a mention on your website.

If you would like us to run an Assembly on the subject or would like us to come and speak to a class about the idea please get in touch to organise a date.

Yours sincerely,

Sarah Sharp, Member of Car(e) Free Day Community Group and City Councillor for Chichester South 07789 843556 or 01243 790077
